

Cydalima

**One million wings inside my kitchen
Big cloud of scales out of the cage
Don't seem to be sensitive to my neons
I only fear they come for you oh toxic days**

**Why don't you, why don't you stop falling down?
Why don't you, why don't you fly back home?**

**Invasive species on your skin now
One little moth can change the rules
Don't let that bitch extend over you
Darling, darling let's burn the sheets oh toxic days**

**Why don't you, why don't you stop falling down?
Why don't you, why don't you get out of home?**

**Come, even if we don't know where
I can take you by my side, and we will sing this song :
"Sweet home, sweet home I'm leaving
Even if we don't know where"**

**Why don't you, why don't you stop falling down?
Why don't you, why don't you fly back home?**
